

# BUNS & brews

## PRESENTING THE NEWEST OMNI ORIGINAL

In celebration of National Hamburger Month, Omni Hotels & Resorts has partnered with New Belgium Brewing Company to present sliders, paired with a variety of beers.

### ALL AMERICAN

Double beef patty, LTO, American cheese, pickles, toasted brioche bun

#### PAIRED WITH FAT TIRE

Malty notes in the beer harmonize with the slightly charred outside of the burger and the breadiness in the beer favors that of the bun.

### NEW ENGLAND LOBSTER

Fresh lobster, celery, mayo

#### PAIRED WITH CITRADELIC TANGERINE

This beer complements the lobster while also balancing the creamy richness.

### TEXAS

Smoked brisket, pickles, bbq sauce, fried onions

#### PAIRED WITH VOODOO RANGER IPA

The heaviness of both the onion rings and smoked brisket is cut by the beer's bitterness, thereby cleansing the palate.

### NASHVILLE HOT CHICKEN

Creamy cabbage slaw, dill pickles

#### PAIRED WITH VOODOO RANGER IPA

The intense flavors found in this slider are matched by the strong flavors of this IPA.

### D.C. CRAB CAKE

Lettuce, tomato, horseradish tartar sauce

#### PAIRED WITH VOODOO RANGER 8 HOP

The forward hop notes shine through the zip of the horseradish tartar sauce while also cleansing the palate.
