Our fully-coordinated event planning, comprehensive state-of-the-art audiovisual capabilities, world-class amenities and services and exquisite setting among the rolling hills of central Texas make Omni the destination of choice for productive programs.

## CONFERENCE SERVICES MANAGER (CSM)

After receipt of your signed contract, an experienced CSM will be assigned to assist you in planning all the details of your program. Omni's Conference Services Department has certified meeting professionals on staff. Your CSM will help you with guest and meeting room arrangements, audiovisual, recreation, special functions and ground transportation to and from the resort. Detailed, advanced planning is the key to an effective business meeting or recreational outing. It is important that you communicate directly with your CSM to ensure your program's success.

## EVENT EXPERIENCE TEAM

Our Event Experience team will be your meeting concierge and liaisons during your program. They will be on the floor, available each day to assist you with anything you may need spearheading communication for you throughout the resort. Think of them as an extension your team!

## DAILY RESORT CHARGE

Room rates are subject to a daily resort charge which includes toll-free, credit card and local calls, basic internet access, fitness center and steam room access, in-room coffee and tea. Excludes gratuities for golf bag handling and valet parking.

For occupancy tax exemptions, unless reservations are paid for by the same credit card/method of payment or the rooms are routed to a master account, we must have a tax exempt form for each individual guest. These need to be given to the front desk as the guest is checking in.

## ACCOMMODATIONS

The 493 guest rooms, including 50 spacious suites, are curated with elevated touches keeping with the regional character of this property's unique location. ## SIGNAGE

In an effort to maintain the ambiance of the public space for all our groups, we do not allow signage in our main lobby. Your CSM will assist you with effective placement of your event signage. All signage must be tasteful and professionally printed. The Banquets Department can assist with easels. Prior approval is required to affix materials to walls, floor or ceilings of function rooms and public space. Any damage done will be the responsibility of the client.

Please recommend that your guests use credit cards (not debit cards). Credit cards will be pre-authorized for the room rate plus \$150 per person per night on arrival to ensure funds are available. If a debit card is used, a hold will be placed on the card for the room rate plus \$150 per person per night from the guest's account. This hold will be released three to five days after check-out based on the guest's bank.
