CONFERENCE PLANNING GUIDE

FOOD AND BEVERAGE

Omni Fort Worth Hotel, as a licensee, is responsible for the administration, sale and a service for all alcoholic beverages in accordance with the applicable statutes of the Code of Texas and the regulation of the Texas Alcoholic Beverage Commission. Therefore, all liquor, beer and wine must be supplied by the hotel and consumed on the premises. When serving alcoholic beverages, the state minimum age will be observed. The hotel reserves the right to refuse alcoholic beverage service to any person whom, in the hotel's sole judgment, seems intoxicated. No food or beverage of any kind is permitted to be brought into, or leave the hotel, by the host of an event or the guests. Hosted bar packages will not exceed four hours.

MENU TASTINGS

Once an agreement has been signed, we will be delighted to set up a complimentary menu tasting for (4) guests with a food and beverage spend of \$10,000 or more. Additional guests are welcome to attend with advance notice at a charge of \$50.00++ per person. For parties with a food and beverage spend less than \$10,000, tastings are \$75.00++ per person (subject to selection). Your Catering Manager will assist you with menu items and guidelines. No credits, transfers or financial reductions will be given in place of a tasting.

GUARANTEES

We require the guaranteed number of people attending the event by 12:00 p.m. noon, three (3) working days prior to the event. If no guarantee is received, the number of expected guests shown on the Banquet Event Order will be considered as the guarantee. This number is not subject to reduction

as preparations have already begun. The hotel will not guarantee service of the same menu over your guarantee. You will be charged the guarantee number, or the actual count, whichever is greater.

SEATING

Rooms will be set according to your instructions. Function rooms are assigned according to the anticipated number of guests and the hotel reserves the right to re-assign functions based on fluctuations in the number of attendees. If significant changes are made to the room set up details after receipt of the signed Banquet Event Orders (including on-site changes), a re-set fee of at least \$150 per meeting room change will be assessed. There will be a \$500 rental fee for every 30 minutes delay past end time published on Banquet Event Orders.

CONFERENCE PLANNING GUIDE

SIGNAGE

In an effort to maintain the ambiance of the public space for all our guests, lobby signage is not permitted. We have friendly Guest Services associates ready to guide your attendees to their event locations.

Your Convention Services Manager can assist you with effective placement of your event signage in your contracted meeting space. All signage must be tasteful and professionally printed. We recommend producing your posters in Portrait mode, in a 2'x3' format to fit our custom, portable directional easels. Limited number of easels for signage in the meeting space is available on a complimentary basis. Hotel management reserves the right to remove any signage that is not tasteful and/or placed in an unapproved location without financial reimbursement to the group.

Prior approval is required to affix materials to walls, floors, columns, windows or ceilings of function rooms. In the event, this is done without hotel authorization, the signage will need to be removed immediately. Any damage to the property or space will be the responsibility of the group or event.

HOTEL LOBBY

If the group or event has at least 500 rooms on peak night, then a lobby Gobo above the front desk is allowable and encouraged for main arrival day only. No other public area signage (including, but not limited to clings for elevators and escalators, lobby signs, etc.) is allowed.

MEETING AND EVENT AREAS

Cling style signage is allowable for stone or steel columns and windows that are associated with the foyer space. No carpet clings are allowed. Group must contract all space on event floor in consideration to utilize this signage opportunity. For the 2nd floor, this includes the Texas and Fort Worth Ballrooms and all Stockyards rooms. For the 3rd floor, this includes all Sundance rooms. If a group or event does not

contract all space, then traditional easel and pop-up style signage is allowable in areas directly associated with the group's ballrooms and/or meeting rooms.

MATERIALS

Group is responsible for contracting a professional fabricator, installer and remover of the signage. Hotel must approve images for appropriate content, and style of material. The hired decorator is responsible for cleaning windows as the final task in the teardown/load out.

BRANDING FEES

2nd Floor - \$775

3rd Floor - \$350

MEETING ROOM DIGITAL READERBOARDS

A digital readerboard is located outside each meeting room. We have the capability of showing your company logo or professional ad on the readerboards of your contracted meeting rooms at the below daily pricing:

Single image displayed on all meeting room display screens - \$500/daily

Single image displayed outside one meeting room - \$250/daily

Each additional image change/date change - \$100/daily per meeting room display screen

MEETING ROOM PHONE

DID lines are \$150/daily. House phones are complimentary. Additional phones can be rented through Pinnacle Live.

MOBILE EVENT APPS

For groups providing a mobile event app for their attendees, we welcome the opportunity to provide detailed information of our restaurant, spa and gift shop specials.

CONFERENCE PLANNING GUIDE

AUDIO VISUAL EXHIBITOR/ ELECTRICAL GUIDELINES/ RIGGING

Omni Hotels & Resorts preferred in-house audio visual department is Pinnacle Live, and as such, reserves the right to bid on each meeting contracted. We maintain a well-trained and professional on-site staff and expansive inventory of the most technically advanced equipment and services to support your audio visual, sound, lighting, video, rigging, power and high-speed internet access needs.

Pinnacle Live is the exclusive provider of all rigging and power requirements. All rigging performed within the meeting space will be designed per specifications, installed and removed exclusively by Pinnacle Live. Power and rigging requirements must be stated in writing a minimum of two (2) weeks prior to the installation date.

Pinnacle Live is the exclusive provider of all high-speed internet and networking requirements within the meeting space and is available for a fee based on group requirements.

The hotel maintains a strict policy on protecting its infrastructure. Pinnacle Live is fully trained and certified with all hotel policies, regarding proper usage of hotel infrastructure. Should the customer elect Pinnacle Live for their event, the services and costs outlined below are to be provided to the customer on a complimentary basis. Should the customer elect to use a third party audio visual vendor, they are expected to sign and adhere to the Omni's published Audio Visual Services Standards/ Production Guidelines requirements. Additionally, the services and costs outlined below may be applicable:

- Technical supervisor/liason must supervise ballroom during load-in/out to ensure proper usage of hotel infrastructure; five (5) hour minimum
 - \$100 per hour (Monday-Friday) 7:00 a.m. to 5:00 p.m.

- \$100 per hour (Monday-Friday) 5:00 p.m. to 12:00 a.m.
- \$150++ per hour (Monday-Friday) 12:00 a.m. to 7:00 a.m.
- \$150 per hour (Saturday-Sunday) 7:00 a.m. to 5:00 p.m.
- \$150 per hour (Saturday-Sunday) 5:00 p.m. to 12:00 a.m.
- \$200 per hour (Saturday-Sunday) 12:00 a.m. to 7:00 a.m.
- Holidays; please ask your sales manager for hourly rates

Visqueen Placement: Before uploading/loading into any hotel ballroom, Visqueen or Polytak may be required to be placed on the ballroom floor for carpet protection. Polytak is available for purchase from Pinnacle Live.

To ensure proper use and function of house sound systems, Omni reserves the right to supply all audio support whenever the use of the in-house sound system is utilized and supply all wireless microphones to ensure all utilized frequencies are managed appropriately.

Additional third party suppliers may be used for your event's technology needs, though charges for load-in and load-out and house system technical assistance may apply. Omni Hotels & Resorts reserve the right to approve all outside contractor(s). Certificates of insurance and liability release will be required at minimum. All outside contractors must adhere to Omni's published Audio Visual Services Standards/ Production Guidelines requirements.

All cables that cross doorways, aisles or walkways are to be covered with rubber matting, carpet or be run through a cable trough. Cables may not obstruct the curtain on the Texas Ballroom stage. Cables originating from follow spot booths and dropping in to main ballrooms must have padding to ensure molding and wall coverings are protected.

CONFERENCE PLANNING GUIDE

SHOW STAGING, CEILING, RIGGING/ELECTRICAL

Staging and access to ceiling hang-points must be approved by the hotel prior to show load-in. Proof of Liability Insurance should be provided to the hotel before load-in begins. In the event of damage, the organization contracting the function space is responsible. There can be no painting or carpentry work done on property. Air wall tracks are never to be used as a means of support.

It is expected that our facility will be left as found. This includes but is not limited to the disposal of props, signage, plastic, trash, etc. A cleaning fee may be assessed should the condition of the room warrant.

LOAD-IN/LOAD-OUT

Load-in/load-out by any type of delivery truck must occur at the hotel loading dock on 12th Street. Delivery vehicles must be attended and moved as soon as they are empty. Any length of time greater than one (1) hour may require a city permit. Consult with your Convention Services Manager for more details. Delivery vehicles cannot be left on property overnight. All delivery schedules should be coordinated through the Conference Planning Department at least two (2) weeks prior to show. No load-in/outs may occur through the front of the hotel.

FREIGHT OPERATOR; FIVE (5) HOUR MINIMUM

Production or audio visual company must reserve the hotel's freight elevator through Omni's Convention Services Department for both load-in and load-out. A hotel elevator operator will be scheduled to operate the elevator during these planned times. Access is not exclusive.

- \$100 per hour (Monday-Friday) 7:00 a.m. to 5:00 p.m.

CONFERENCE PLANNING GUIDE

LIFE SAFETY AND FIRE CODE REGULATIONS

CAPACITIES AND ROOM LAYOUT

Listed capacities of all meeting rooms and exhibit hall spaces must be strictly adhered to. All room sets must comply with federal, state and local safety codes.

ELEVATORS/ESCALATORS

Equipment and freight may only be transported via the freight elevators. Hotel personnel will supervise the use of freight elevators. Passenger elevators and escalators are for guest use only. See page 6 for pricing and times.

EXIT DOORS

At no time shall an exit door be chain locked, blocked, tied open or obstructed in any way. This includes placement of signage, screens, vehicles, barricades, storage, tables, carts, curtain walls or other convention related materials that may impede the path of egress from an exit door.

Compliance with all federal, state and local fire and building codes is required for all group activity. All emergency equipment, exits, aisles and walkways must remain unobstructed. Curtains, drapes or decorations shall not visually or physically obstruct exit doors, exit signs, fire alarms, audio visual devices, hose connection cabinets, standpipes, fire extinguishers or fire extinguisher cabinets, or other life safety equipment at any time. If the permanent exit signs are obstructed from view, additional temporary exit signs shall be provided indicating the route to the exit door. Exit paths shall remain clear of obstructions. This includes the service corridor and pre-function areas. A minimum of eight (8) feet is required to be clear in the service corridor to all exit stairways at all times. The pre-function area shall have a minimum of one-half (1/2) of the floor space clear with a clear path of travel to all exits.

Special permits are required for events or exhibits that involve pyrotechnics, cooking, covered, or multilevel exhibits or other potentially hazardous situations (i.e. haze vehicles, open flame use or demonstration of equipment using liquid fuel inside of building). Permit information can be obtained through Convention Services.

FLAME PROOFING

All materials used in the convention center must be non-flammable or flame retardant. A certificate of flame proofing is required for tents, awnings, drapes and all decorations. Floor plans, exhibit and production floor plans must be submitted a minimum of thirty 30 days prior to event for approval and permitting by the Fort Worth Fire Marshal.

The plans shall include:

1. Layout of exhibits and use of the building
2. Exits; mark egress aisles and exit doors
3. All temporary curtain walls
4. Fire extinguisher equipment: size, location and type
5. Dates: move-in, move-out, and times open to the public
6. Contacts: names and telephone numbers
7. Any structure constructed inside of building: detailed plans must be submitted 15 working days prior to event
8. Vehicles: type and number with diagram of placement
9. Scaled drawing shall be available upon request

A copy of the floor plan should be submitted for approval prior to selling booth space. Should changes be made to the layout after receiving approval, new floor plans must be resubmitted.

CONFERENCE PLANNING GUIDE

LIFE SAFETY AND FIRE CODE REGULATIONS CONT.

HAZARDOUS MATERIALS

The group is responsible for removal of hazardous waste and must comply with all federal, state and local regulation regarding the handling and disposal of materials. Hazardous waste includes materials that are toxic, corrosive, reactive, and ignitable or biohazard. A Material Safety Data Sheet (MSDS) must be provided.

HAZE/FOG/SMOKE MACHINES

The use of hazers or smoke/fog machines must be approved through your Convention Services Manager. Fire watch is required at all times when the hazer or smoke/fog machines are in use, including rehearsals. Fire watch can be arranged through Convention Services at the prevailing rate. A schedule of rehearsal and show times must be submitted no later than three (3) weeks in advance. Only water-based machines are permitted.

OPEN FLAME

Candles are permitted on tables if securely supported on a non-combustible base. Candle flames must be protected using a votive holder or other non-combustible container, and flame must be two (2) inches below the top of the candle holder.

PYROTECHNICS/SPECIAL PERMITS

Special permits are required for events or exhibits involving pyrotechnics or other potentially hazardous situations (including but not limited to vehicles and open flames). Permit information can be obtained through your Convention Services Manager. Both the city of Fort Worth and Omni Fort Worth Hotel fire watch personnel are required during pyrotechnics rehearsals and events. Hotel fire watch personnel must be arranged through your Convention Services Manager and will be billed to the group master account at the prevailing rate.

SMOKING

Omni Fort Worth Hotel is a smoke-free environment. This includes all hotel rooms, public space, restaurants, lounges, and any outdoor space. Smoking is only permitted in designated areas at least 50 feet from any hotel entrance.

VEHICLES

Vehicles brought into the building for display purposes must comply with the National Life Safety Code. All fuel tank openings shall be locked or sealed shut. Fuel tanks shall be no more than one-quarter full, or contain less than five (5) gallons of fuel, whichever is less. Vehicles must be pushed into place and battery cables shall be disconnected and taped. All carpeted areas must be protected in advance of move-in and move-out. A certificate of insurance with prevailing required coverage must be provided to your Convention Services Manager one (1) week prior to delivery.

CONFERENCE PLANNING GUIDE

FACILITY GUIDELINES

AIR WALLS

Air walls in the meeting rooms, ballrooms and exhibit hall are to be moved by hotel staff only.

AUDIBLE LEVELS

The hotel reserves the right to limit sound levels to maintain a comfortable environment for all guests. All audio and performance based sound checks must be coordinated in advance through your Convention Services Manager.

CARPET PROTECTION

All carpeted areas must be protected in advance of move-in and move-out. Areas requiring protection include, but are not limited to: storage rooms, production areas, kit stuffing rooms, audio visual storage rooms, and under any vehicle being used as display. Vehicles must have carpet protection under engines, transmissions and tires once in place. Carpet protection is required under all production stages, as well as the backstage area. When rolling road cases, vehicles or any equipment across carpeted floors, carpet protection must be applied to the area being traversed in order to prevent damage to the carpet. We recommend the use of PolyTak or other non-skid floor covering. PolyTak may be purchased on-site through Pinnacle Live. Lifts must have white, non-marking tires to be used on carpeted areas. Damage repair costs caused by lifts or other equipment will be the responsibility of the contractor.

DAMAGES

Damages to the hotel as a result of group activity will be subject to a repair charge. A scheduled walk through should be arranged through Convention Services prior to move-in and after move-out to assess condition.

INSURANCE REQUIREMENTS

All contractors hired by the group to provide labor and/or services are required to submit a Certificate of Insurance to Convention Services. Your Convention Services Manager will provide specifications and required limits. Those companies would include, but are not limited to: general contractors, production companies, audio visual companies, destination management services, staffing providers, and pyrotechnic services.

HOTEL FURNITURE MOVEMENT

If Group requires furniture removal from foyer space, Hotel will check availability for storage. If available a removal/storage fee of \$1000.00++ will be assessed.
