## THE ESSENTIALS OF ESSENTIAL OIL PERFUME MAKING R | \$

Have you tried every commercial perfume and just not found the simple, honest scent you've been looking for? The craft of perfume making goes back at least as far as classical Egyptian civilization, but the essentials are always the same. In this class, students will construct 5 ml. of a customized essential oil perfume using these ancient principles. All materials provided.

*Ages 12 and older. \$30 per person.*

## BOOK SIGNING: YOU DIDN'T MISS IT, BY WENDY GRIFFITH

TV personality Wendy Griffith was living her dream as an international reporter and news anchor but the one thing she really wanted, to fall in love and get married, seemed to be passing her by. In *You Didn't Miss It!* Wendy shares her personal story of waiting on God, meeting her future husband, and becoming a bride for the first time in her fifties!

*You Didn't Miss It!* is more than a love story, it's a book of hope and a reminder of God's faithfulness no matter how long it takes!

## WINE TASTING R | \$

Enjoy a selection of five holiday wines in this tasting led by Sommelier Quynh Cohen. A charcuterie board enhances the experience.
