Omni La Costa Resort & Spa Property Map

Golf at La Costa

Omni La Costa Resort & Spa offers 36 spectacular holes of golf on two highly acclaimed championship courses. Stunningly beautiful, yet equally challenging to conquer, each course offers a distinct set of thrilling experiences, moments and settings. Come see what all the talk is about – play golf at Omni La Costa.

CHAMPIONS COURSE

The resort marks the beginning of a new chapter with an exciting renovation to its iconic Champions Course. Slated for completion in 2024, the project culminates with the hosting of the NCAA Division I Men's and Women's Golf Championships in 2024-2026. Leading the renovation work is Hanse Golf Course Design, founded by acclaimed architect Gil Hanse. Since his firm's inception in 1993, his team has created more than 26 original designs and provided restorations for 40 of the world's most renowned clubs. Several of their courses ranked in the Top 100, and they've therefore been selected multiple times as Architect of the Year.

LEGENDS COURSE

With an iconic history and list of who's who having played here, the Legends Course is a true classic and a gem of traditional design. Combined with recent renovations and modern touches for improved playability, the open concept and visually appealing backdrops and features holds Legends Course in the highest regard by all who have played on its greens.

GOLF PERFORMANCE INSTITUTE

Take your game to the next level with Omni La Costa's Golf Performance Institute, featuring state-of-the-art swing technology, video analysis, custom club fitting and hands-on instruction.

AWARDS

- Golf Magazine, Southern California's Gold Medal Resort
- Golf Digest, #1 Family Golf Destination in the Country
