

FOR THE LOVE OF THE GAME

PRE-ROUND WARM-UP LIKE A PRO

Let the pros do the work by having instructional staff lead your group through a thorough warm-up of stretching and practice swings sure to prepare you for a great round of golf.

MATCH PLAY

Pair attendees head-to-head for a traditional match play tournament. This always allows for some spirited fun.

COMPETITIVE HORSE RACE

Get the group together for healthy, competitive fun with our 9-hole sudden death elimination game. Players are eliminated on each hole until the last three remaining battle it out on the final hole.

SHORT COURSE CHALLENGE (PAR 3 COURSE)

If you don't have time for the full 18, have the golf staff design a challenging par three course ranging from 40-250 yards. This is a great event to host a "skins" game for a quick round of golf prior to other engagements.

MIX AND MATCH

Formatted after the biennial men's golf competition between Europe and the U.S. First 6 holes are a scramble, second 6 holes are best ball and last 6 holes are alternate shot play.
